## **DETAILED ACTION**

The reply filed on February 28, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not substantively responded to the rejections under 35 U.S.C. 112 2<sup>nd</sup> paragraph. Page 26 of the response provides a dictionary definition of "time series" but does not relate the definition to the particular claim language rejected such as "loan disbursement time series" or "capital expenditure time series". No clarification is provided in the Specification, as noted in the rejection. The Examiner used a specific interpretation of the phrase "disbursement schedule"; Applicant fails to comment on the Examiner's interpretation. Applicant fails to address the rejection of Claim 56 and the lack of clarity of the phrase "cash flow income statement". Applicant does not address the rejection of claims reciting "allowed" or "permitted". See MPEP 714.02. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or**THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
